

Addendum 1.

**DATE:** 1 April 2026

POSTAL CORPORATION OF KENYA

## **TENDER ADDENDUM – AMENDMENT TO TECHNICAL SPECIFICATIONS**

The Postal Corporation of Kenya hereby informs all bidders participating in the **Tender for Supply and Delivery of Refrigerated Trucks, Tender Reference No. PCK/PROC/09A/2025/2026**, that the tender document has been amended by removing the following requirements from the vehicle technical specifications as stated in the original tender document:

1. Extra fuel tank fitted-100L Capacity for 7-8 Ton
2. Extra fuel tank fitted-60L Capacity for 4-5 Ton and 3-4 Ton
3. Fitted with four suitable and strong Aluminium hanging rails.
4. Number of aluminium hanging rails, min. (4)
5. Fitted with stainless steel and aluminium collapsible racks mounted on the sides of the floor leaving aisle for accessibility.
6. The body to be fitted with a suitable anti-slip platform and securely mounted ladder to allow safe access to the refrigeration unit, complete with handrails for safety.
7. Refrigeration unit to be driven by separate diesel engine with fuel feeding from separate fuel tank when the truck is parked.
8. Standby electric generator with motor supplied.

In addition, the following vehicle requirements have been amended as indicated below:

| <b>Current Requirement</b>                                                                       | <b>New Requirement</b>                                                  |
|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|
| All necessary cables, fuel piping, refrigerant piping, gauges and switches installed             | All necessary cables, refrigerant piping, gauges and switches installed |
| Fitted with a location and temperature monitoring system with a printing mechanism and print out | Fitted with a location and temperature monitoring system.               |
| Screen type Radio to support rear camera                                                         | Rear View Camera Screen                                                 |

Accordingly, a revised tender document incorporating the corrected technical specifications has been uploaded and shall replace the previous version of the tender document.

All prospective bidders are therefore advised to **download and use the revised tender document**. Bidders who have already downloaded the tender document are advised to **take note of the amendments made to the technical specifications** and ensure that their bids are prepared and submitted in accordance with the revised requirements.

The Corporation regrets any inconvenience that may have been caused by the amendment.

**Please note that all other terms, conditions, requirements, and provisions of the tender remain unchanged.**
